

We have music from 10:10am you are welcome to come into church at any point or stay in the lounge. There will be a short break between the songs and the official start of the service at 10:30am to allow the people who are in the lounge to come into church.

Check the notice board for details of future NWBA events.

Please note that you can now download the notice sheet from our website—www.chelwoodbaptist.co.uk

Our Shoebox Sunday for Kids Club Kampala is the last Sunday in September and we will be joined by Kids Club Kampala. Please start to collect shoeboxes, wrapping paper and toys, toiletries etc. We can bring them into church.

We are now collecting any crisp packets for recycling. There will be a recycle bin in church. Please note, its not for popcorn or nuts, only crisp packets.

On the last weekend of September we will be joining in with the National prayer Weekend. Look at for all the details soon.

Shine like Stars are raising funds to employ a Children's Pastor to work in the slums of Kampala. Could you join the Super Smartie Swap to help raise funds? Andrew will give you a tube of smarties and all you have to do is eat them then fill the tube with 20p's. Once its full, give it to Andrew and he will give you another tube of smarties!

Wednesday September 3rd is our next Church Meeting.

Thank you to all who helped at Seaside at Chelwood yesterday. Also, thank you to Pete, Jane and Mike who helped at beach Life in Millom.

Welcome!

If you are new to Chelwood Baptist Church then you are very welcome!

We are perhaps a little different to other churches you might have been to but we pray you find that a good thing! We aim to be fully intergenerational in who we are and so we don't send children "out" to Sunday School but instead recognise that there is something beautiful in worshipping God together. We may do some things that aren't common in traditional church but we know that worship can take lots of different forms.

If you have come with children this morning then relax! If your child comes up to the front or moves around or cries, that's OK—God created legs and mouths and they are used to worship! We aim to make our services accessible to all, so there will often be things to do and chances to speak. We encourage you to get alongside your children and learn together.

If your pre-school child is struggling (or if you are struggling with your child) then feel free to take them into the creche room by the main entrance to church. You can come and go in that room whenever you want. You can bring them into and take them out of the service at any point. Just remember, we love children being right in the middle of our services and they are a big part of who we are as a church.

As we give our best to God in worship, we pray that God may speak to you and that you would experience something of the depth of his love.
